BRONSON CAVES

Failure to comply with these conditions will be in violation of your film permit and may result in revocation of permit.

- Alterations will be considered for the exterior grounds only and must be coordinated with this office's Park Maintenance Supervisor. No consideration will be given for alteration to cave interior.
- Special effects (explosions, etc) may be considered on a case-by-case basis and for exterior use only. Any special effects that may cause damage to the interior/exterior of cave integrity are not permitted.
- Introduction of large trucks that may have the potential to disturb the rock formations by vibration, weight, or otherwise must be discussed with park personnel for consideration.
- Bolting, drilling or nailing into the cave walls is not permitted. Existing bolts, nails and holes may **not** be used for mounting props or otherwise.
- Altering of chaparral vegetation may be considered at park's discretion, please inquire.
- Climbing or use of ropes (or similar) on rock face above caves is prohibited due to shifting. NO EXCEPTIONS.
- No open flames or smoking is permitted. Any open flame cooking must be coordinated and cleared with Park Film Office and on-site Fire personnel in conjunction with park monitor.
- Company is responsible for clean-up and off-site disposal of all self generated trash, which may include trash along the dirt road and hillsides.
- Company must provide restroom facility from beginning to end of the reservation period.

- All vehicles must be parked in lower dirt parking lot or at caves (limited). All vehicles must remain at least 5 feet away from existing chaparral. **No street parking.**
- Must leave at least 10 parking spaces in southern part of lower dirt parking lot available for park patron use. Additional parking restrictions may apply, inquire with park coordinator.
- Due to the area being a mountain fire district, “Red Flag” days will be designated as necessary by LAFD which may impose more infringing fire safety guidelines. Inquire with Fire Department.
- Any pre-approved changes or accidental damages must be promptly restored to original or better conditions.
- Smoking is only allowed is designated areas specified by a Park Monitor or Fire Marshall. If no monitor or UFSO is assigned the location manager must establish a smoking area. Company must provide butt cans.
- The designated smoking area may not be near any patron activity.
- The designated smoking area may be revoked or not allowed depending on weather & location conditions.
- Failure to comply with these smoking guidelines may result in a fine.
- Must walk to cave and carry equipment. NO monitor required for day work. Monitor required if driving up to cave or night filming with a generator.
- Smoking is only allowed in designated areas specified by a Park Film Monitor or Fire Marshall.
- If no monitor or Fire Marshall is assigned; there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- The designated smoking area may not be near any patron activity or facility. Large sand or water filled buckets must be placed in this area for disposal of tobacco products.
- The designated smoking area may be revoked or not allowed depending on weather and location conditions.
- Failure to comply with these smoking guidelines may result in a fine.
